DuffleBag Theatre's Beauty & the Beast

When a handsome but arrogant prince insults a mysterious old woman who appears at his door one rainy night, he finds himself magically transformed into a "horrible, nasty Beast"! The spell can only be broken when he learns to love another more than he loves himself. Fortunately, fate sends a bright and beautiful village girl, searching for her missing father in the forest, towards the hidden castle. Can the Beast learn his lesson and redeem himself before it's too late? DuffleBag's adaptation of this timeless classic is guaranteed to ring a Belle!

Celebrating the wonder of storytelling, creativity, inclusiveness and imagination, a DuffleBag performance is a shared experience that audiences will never forget!"
